Commissioner for Patents  
**MAIL STOP RCE**  
 Washington, D.C. 20231

Dear Sir:

This is a supplemental response accompanying the Request for Continuing Examination (RCE), dated July 14, 2003, which responds to the Final Office Action mailed March 13, 2003. Applicants respectfully request that the Examiner consider this supplemental response along with the RCE.

A second month extension of time, in addition to the one-month extension previously requested, is respectfully requested.

**REMARKS**

In the RCE dated July 14, 2003, Applicants' representative inadvertently identified the 102(e) prior art date of U.S. 5,876,462 to Weller et al. (hereinafter "Weller") as March 2, 1999, which is the issue date of Weller.

Applicants' representative wish to apologize and correct that statement. Applicants' representative hereby submit that the correct 102(e) prior art date of Weller is its U.S. filing date, June 18, 1996. As such, Weller is a proper prior art against the present application.

Applicants' representative wish to respond to those rejections based on Weller.
